POSTGRADUATE PROGRAMMES

MASTER OF BUSINESS ADMINISTRATION [MBA]

UNITEN GENERATES
PROFESSIONALS

THE BUSINESS-DRIVEN PROGRAMME FOR PROFESSIONALS

The Master of Business Administration (MBA) programme is developed specially for professionals and executives seeking to further enhance their knowledge, skills and competencies for career advancement. With lectures, seminars and group dynamics, the flexibility of this programme allows for a holistic experiential learning through case studies, projects and interactive discussions. The use of Information and Communication Technology to aid decision-making is emphasised. The varied experiential learning through a broad spectrum of disciplines, coupled with diverse industrial and business backgrounds provide an enriching atmosphere for exchanging ideas and networking.

TESTIMONIAL

"The corporate world has changed rapidly. As a professional, we must build our knowledge to respond and survive. UNITEN not only generates professionals, but smart-thinking ones. Its MBA programme addresses the need to sharpen our competencies and skills. This supports our career advancement and might even help us lead future enterprises."

Onny Afrizal
Master of Business Administration
(Student from Indonesia)
