Study in Malaysia

All students undertaking studies in Malaysia are required to obtain a Student Pass (Visa). Below are guidelines to study in UNITEN.

5 Steps to Study in Malaysia

Step 1: Application

Students have the option of applying for their Visa Approval Letters (VAL) through UNITEN Students Admission Unit or applying directly to EMGS at educationmalaysia.gov.my

Step 2: Issuance of Visa Approval Letter (VAL)

Electronic VAL will be issued by the Immigration Department of Malaysia for all approved applications. Please keep both one printed and one soft copy of VAL accessible at all times.

Step 3: Single Entry Visa (SEV)

Students from qualifying countries can get visa-on-arrival (VOA) upon arrival at the Malaysian border. Students from countries that require a pre-arrival visa must apply for a single entry visa (SEV) from their home country's Malaysian embassy or consular office.

Step 4: Travelling to Malaysia

Before departing to Malaysia, complete and send the Arrival Form to UNITEN Students Admission Unit to arrange for airport pickup and accommodation.

During arrival, students must present a valid passport with an appropriate length of validity, VAL and relevant paperwork at the immigration checkpoint at the Malaysian border.

Step 5: Registration at Institution

All registration processes are done at UNITEN Customer Centre (UCC). Students must complete a medical screening within 7 days upon arrival in Malaysia at any EMGS-registered panel clinic. Issuance of Student Pass and i-Kad will be completed in 10 business days.

For assistance, all international students should make contact with the UNITEN's admission team during the visa application process.
